ANNOUNCER: And now, time for another episode of the Galactic Republic's favorite drama, *As the Lightsaber Burns*. As our story resumes, Only One Cannoli the Redeye Knight has just suffered a minor mishap while training his apprentice Dirk Skyrunner.

Cannoli enters, holding two pieces of a jump rope

CANNOLI: Oh no, my jump rope! It's ruined!

Dirk runs on.

DIRK: Master, are you okay?

CANNOLI: I'm fine, but my jump rope! You cut it in half!

DIRK: How does it look? Is it bad?

CANNOLI: You cut it in HALF!

DIRK: Let me see it! How bad is it?

Cannoli shows him the two completely separate halves of the jump rope.

SKIT

DIRK: Whoa! That's not going to work as a jump rope anymore.

CANNOLI: I know that!

DIRK: Cut it right in half.

CANNOLI: I told you to be careful with your laser sword!

DIRK: I didn't realize it would cut anything it touched.

CANNOLI: Of course it can! Why do you think we fight with them?

DIRK: Master, I'm really sorry. I didn't mean to do it. You know that!

CANNOLI: I know, Dirk, I know. It was an accident. And I forgive you.

DIRK: You do?

CANNOLI: Sure I do. It's in the past.

DIRK: Really? Just like that?

CANNOLI: That's how forgiveness works, Dirk. I forgive, and it's gone. Vanished.

DIRK: Cut clean off?

CANNOLI: Don't say it that way!

DIRK: Sorry!

CANNOLI: But yes, you are right. It has been cut clean off and tossed away. Just like my jump rope.

DIRK: Master, I don't know what to say. Your forgiveness means a lot to me.

CANNOLI: Good, remember that the next time you need to forgive someone.

DIRK: I will!

CANNOLI: And please be careful around the flat screen TV.

DIRK: You got it!
