Family Church

CORONAVIRUS
An Update from
Our Pastor, RT McKinney Jr.

March 12, 2020,

Blessings Redeeming Love Family,

In the midst of this Coronavirus/COVID-19 challenge facing the world and our state. I would like to keep you informed and updated about the measures we are taking here at RLFC.

Our mindset is that our GOD is the God over all to include infectious diseases. We trust Him to do the providential and it is our responsibility to do the practical as we continue to walk by faith. We believe the House of God will be a refuge, hope and encouragement to all in times like these. We trust the Lord to stand as beacons of His light and love to our neighbors and community.

With that said, RLFC currently plans to continue assembling for our regularly scheduled services. We trust everyone will follow the CDC Guidelines to practice excellent hygiene by washing hands thoroughly, covering sneezes and remaining home if you are sick. We realize this is also allergy season. If you are feeling sick with fever, cough and shortness of breath, please get medical attention immediately. See the attached CDC link for symptoms. <https://www.cdc.gov/coronavirus/2019-ncov/about/symptoms.html>. Also please be sure to contact your Family Connection Leader, Pastor Louisa or myself.

Last Sunday we referenced exchanging elbow taps and air high fives in stead of our usual hand shakes, hugs and sometimes kisses as we greet each other. While cleaning and thorough sanitation has always been our policy, RLFC has also increased our sanitation policies before, during, and after each service.

Lastly, we want to encourage you to keep your church going with your giving. Praise God we have generous and faithful members. We trust that faithfulness remains resilient and even increases as we seek to assist others through this challenging time.
