

## 2020 Blessings

As always, Redeeming Love Family Church is reaching out to bless our community. This year instead of collecting items for our annual Community Drives like the Coat & Blanket Drive, Harvest Food Drive and the UNC Pajama & Toy Drive we will collect funds and Gift Cards.

We have a number of families that can use the extra help as well. If you'd like to contribute simply designate by marking "2020 Blessings" on your contribution in the memo line of your PayPal, CashApp, Givelify or even the "Other" Line of your offering envelop. If you are onsite, the Offering Envelopes & Gift Cards can go in the Secured Offering Box in the foyer.

Your contributions will go to bless the Balm of Gilead Ministries, Operation Blessing, and the UNC Pediatric Oncology Ward along with local families in need. RLFC please note, to be effective, this giving is on top of our normal tithe and offering. We want to continually bless this house even as we reach out to others. Amen. We pray multiplied increase to you and yours for your generosity to bless others in this season.
